

# Maharana Pratap P.G. College, Jungle Dhusan, Gorakhpur

| Class: B.A./B.Sc First Year |    | Lesson Plan      |           | Session-2020-21                    | Subject- Geography          |
|-----------------------------|----|------------------|-----------|------------------------------------|-----------------------------|
| Date                        |    | Teacher's Name   | Paper     | Lesson                             | Title                       |
| 19.08.20                    | 2  | VKC, SS, APN, NG | Practical | Drawing of scales                  | Introduction                |
| 20.08.20                    | 4  | VKC, SS, APN, NG | Practical | Drawing of scales                  | Introduction                |
| 26.08.20                    | 6  | VKC, SS, APN, NG | Practical | Drawing of scales                  | Comparative scale           |
| 27.08.20                    | 6  | VKC, SS, APN, NG | Practical | Drawing of scales                  | Comparative scale           |
| 02.09.20                    | 8  | VKC, SS, APN, NG | Practical | Drawing of scales                  | Diagonal scale              |
| 03.09.20                    | 10 | VKC, SS, APN, NG | Practical | Drawing of scales                  | Diagonal scale              |
| 09.09.20                    | 12 | VKC, SS, APN, NG | Practical | Drawing of scales                  | Diagonal scale              |
| 10.09.20                    | 14 | VKC, SS, APN, NG | Practical | Drawing of scales                  | Vernier scale               |
| 16.09.20                    | 16 | VKC, SS, APN, NG | Practical | Drawing of scales                  | Vernier scale               |
| 23.09.20                    | 18 | VKC, SS, APN, NG | Practical | Drawing of scales                  | Vernier scale               |
| 24.09.20                    | 20 | VKC, SS, APN, NG | Practical | Topographical sheet                | Relief features by contours |
| 30.09.20                    | 22 | VKC, SS, APN, NG | Practical | Topographical sheet                | Relief features by contours |
| 01.10.20                    | 24 | VKC, SS, APN, NG | Practical | Topographical sheet                | Study & interpretation      |
| 07.10.20                    | 26 | VKC, SS, APN, NG | Practical | Topographical sheet                | Study & interpretation      |
| 14.10.20                    | 28 | VKC, SS, APN, NG | Practical | Topographical sheet                | Study & interpretation      |
| 15.10.20                    | 30 | VKC, SS, APN, NG | Practical | Topographical sheet                | Study & interpretation      |
| 21.10.20                    | 32 | VKC, SS, APN, NG | Practical | Topographical sheet                | Study & interpretation      |
| 22.10.20                    | 34 | VKC, SS, APN, NG | Practical | Representation of statistical data | Line graph & Band graph     |
| 29.10.20                    | 36 | VKC, SS, APN, NG | Practical | Representation of statistical data | Hythergraph                 |
| 04.11.20                    | 40 | VKC, SS, APN, NG | Practical | Representation of statistical data | Climograph                  |
| 05.11.20                    | 42 | VKC, SS, APN, NG | Practical | Representation of statistical data | Circle Diagrams             |
| 18.11.20                    | 44 | VKC, SS, APN, NG | Practical | Representation of statistical data | Wheel Diagrams              |
| 19.11.20                    | 46 | VKC, SS, APN, NG | Practical | Representation of statistical data | Pyramid diagrams            |
| 26.11.20                    | 48 | VKC, SS, APN, NG | Practical | Representation of statistical data | Rectangular & Wind roses    |
| 02.12.20                    | 50 | VKC, SS, APN, NG | Practical | Representation of statistical data | Dot method                  |
| 03.12.20                    | 52 | VKC, SS, APN, NG | Practical | Representation of statistical data | Dot method                  |
| 09.12.20                    | 54 | VKC, SS, APN, NG | Practical | Representation of statistical data | Choropleth method           |
| 16.12.20                    | 56 | VKC, SS, APN, NG | Practical | Representation of statistical data | Choropleth method           |
| 17.12.20                    | 58 | VKC, SS, APN, NG | Practical | Survey by Plane Table              | Introduction of Instruments |
| 23.12.20                    | 60 | VKC, SS, APN, NG | Practical | Survey by Plane Table              | Introduction of Instruments |
| 24.12.20                    | 62 | VKC, SS, APN, NG | Practical | Survey by Plane Table              | Radiation method            |
| 30.12.20                    | 64 | VKC, SS, APN, NG | Practical | Survey by Plane Table              | Radiation method            |
| 31.12.20                    | 68 | VKC, SS, APN, NG | Practical | Survey by Plane Table              | Intersection method         |
| 06.01.21                    | 70 | VKC, SS, APN, NG | Practical | Survey by Plane Table              | Intersection methods        |
| 07.01.21                    | 72 | VKC, SS, APN, NG | Practical | Survey by Plane Table              | Intersection methods        |
| 13.01.21                    | 74 | VKC, SS, APN, NG | Practical | Survey by Plane Table              | Intersection methods        |
|                             |    |                  |           |                                    |                             |
|                             |    |                  |           |                                    |                             |
|                             |    |                  |           |                                    |                             |
|                             |    |                  |           |                                    |                             |
|                             |    |                  |           |                                    |                             |
|                             |    |                  |           |                                    |                             |
|                             |    |                  |           |                                    |                             |
|                             |    |                  |           |                                    |                             |
|                             |    |                  |           |                                    |                             |
