

महाराणा प्रताप पी.जी. कॉलेज, जंगल धूषड़, गोरखपुर

कक्षा : एम. ए. भाग : प्रथम			पाठ्यक्रम योजना : सत्र - 2019-20		विषय : गृह विज्ञान
दिनांक	व्याख्या न	प्राध्यापक का नाम	प्रश्न पत्र	अध्याय	शीर्षक
02.09.19	1	Kiran Singh	I	Research methods and statistics	meaning and scope of statistics
02.09.19	1	Dr. Apoorva Tripathi	II	advanced Food Science : introduction	concept of Nutrition, adequate Nutrition
02.09.19	1	Dr. Apoorva Tripathi	III	Significant of Child development and their aspects	the role of nature and nature in determining intelligence
03.09.19	2	Kiran Singh	I	Research methods and statistics	Role of statistics in research
03.09.19	2	Dr. Apoorva Tripathi	II	introduction	Malnutrition
03.09.19	2	Dr. Apoorva Tripathi	III	significance of child development	personality and behavior
04.09.19	3	Kiran Singh	I	Descriptive Statistics	Descriptive statistics, classification
04.09.19	3	Dr. Apoorva Tripathi	II	Introduction	Malnutrition
04.09.19	3	Dr. Apoorva Tripathi	III	significance of Child development	Major development in eight periods the span
05.09.19	1	Sunidhi gupta	IV	unity in diversity in Indian costume	Introduction
05.09.19	1	Sunidhi Gupta	V	concept of home	meaning and concept

05.09.19	1	Dr. Pallavi Nayak	VI	extension techniques and programs	concept, meaning and scope
06.09.19	2	Sunidhi Gupta	IV	unity in diversity in Indian costume	North India
06.09.19	2	Sunidhi Gupta	V	concept of home	Characteristics, components and motivation of management
06.09.19	2	Dr. Pallavi Nayak	VI	extension techniques and programs	principal philosophy and objective of extension
07.09.19				Class teaching	
07.09.19				Class teaching	
07.09.19				Class teaching	
09.09.19	4	Kiran Singh	I	descriptive statistics	Tabulation, frequency
09.09.19	4	Dr. Apoorva Tripathi	II	introduction	balanced diet and factors affecting balanced diet
09.09.19	4	Dr. Apoorva Tripathi	III	physiology of pregnancy	normal menstrual cycle, conception
11.09.19	5	Kiran Singh	I	Statistics	Distribution, diagrammatic and graphical representation of data
11.09.19	5	Dr. Apoorva Tripathi	II	composition of food	Carbohydrate
11.09.19	5	Dr. Apoorva Tripathi	III	physiology of pregnancy	law of inheritance sign of pregnancy, stages of fetal development, prepare for baby, Personal hygiene
13.09.19	6	Kiran Singh	I	statistical hypothesis	elements of testing of a statistical hypothesis
13.09.19	6	Dr. Apoorva Tripathi	II	composition of food	Fat

13.09.19	6	Dr. Apoorva Tripathi	III	physiology of pregnancy	common disorders, discomforts and problems during pregnancy
14.09.19	3	Sunidhi Gupta	IV	Unity in diversity in Indian costume	South India
14.09.19	3	Sunidhi Gupta	V	concept of home	value goals and standard
14.09.19	3	Dr. Pallavi Nayak	VI	Concept	element involved in the extension education
15.09.19	4	Sunidhi Gupta	IV	Indian costume	western India
15.09.19	4	Sunidhi Gupta	V	decision making	individual and household
15.09.19	4	Dr. Pallavi Nayak	VI	concept	qualities of extension worker
16.09.19				Class teaching	
16.09.19				Class teaching	
16.09.19				Class teaching	
17.09.19	5	Sunidhi Gupta	IV	Indian costume	Eastern India
17.09.19	5	Sunidhi Gupta	V	decision making	Role and scope decision making
17.09.19	5	Dr. Pallavi Nayak	VI	concept	Role of extension in research works and development
19.09.19	7	Kiran Singh	I	statistical hypothesis	formulation of the problem definition of Type 1 and type 2 errors
19.09.19	7	Dr. Apoorva Tripathi	II	composition of food	Protein

19.09.19	7	Dr. Apoorva Tripathi	III	physiology of pregnancy	process of normal labor pain and new technologies in the field of fertility
20.09.19	8	Kiran Singh	I	statistical hypothesis	Level of significance, large sample test for proportion
20.09.19	8	Dr. Apoorva Tripathi	II	composition of food	Vitamins
20.09.19	8	Dr. Apoorva Tripathi	III	Care of the mother and neonate in postnatal period	Cleanliness and hygiene of puerperium, immediate care of the newborn and the mother
21.09.19	9	Kiran Singh	I	statistical hypothesis	difference in proportions for means and difference in mean
21.09.19	9	Dr. Apoorva Tripathi	II	composition of food	Minerals
21.09.19	9	Dr. Apoorva Tripathi	III	Care of the mother and neonate in postnatal period	Bodily Characteristics and behavior patterns of neonate, needs of neonates
23.09.19	6	Sunidhi Gupta	IV	Indian costume	middle India
23.09.19	6	Sunidhi Gupta	V	Decision making	decision making process
23.09.19	6	Dr. Pallavi Nayak	VI	Methods of communication	classification of extension teaching methods according to individual, group and mass approach
24.09.19				Class teaching	
24.09.19				Class teaching	
24.09.19				Monthly evolution	
25.09.19	7	Sunidhi Gupta	IV	design	Elements and principles of design

25.09.19	7	Sunidhi Gupta	V	Decision making	Decision conflicts
25.09.19	7	Dr. Pallavi Nayak	VI	Methods of communication	classification of extension teaching methods according to individual, group and mass approach
26.09.19	8	Sunidhi Gupta	IV	color	Importance of color
26.09.19	8	Sunidhi Gupta	V	Decision making	Manufacturing sector, domestic sector in urban and rural areas
26.09.19	8	Dr. Pallavi Nayak	VI	Media of communication	classification of Audio - Visual Aids
26.09.19	10	Kiran Singh	I	T- test	Application of students t- test for small sample for single mean, difference mean
26.09.19	10	Dr. Apoorva Tripathi	II	cooking	methods of cooking and effects of cooking on nutrients
26.09.19	10	Dr. Apoorva Tripathi	III	Care of the mother and neonate in postnatal period	evolution and examination of health neonate, bath, sleep reflexes, vision, hearing, Normal growth and development
26.09.19	11	Kiran Singh	I	F-test	F-test for equality of variance
26.09.19	11	Dr. Apoorva Tripathi	II	Cereals	Structure, composition
26.09.19	11	Dr. Apoorva Tripathi	III	Care of the mother and neonate in postnatal period	Immunization scheduler And its importance, Reflexes, Apgar scores
26.09.19	12	Kiran Singh	I	Correlation	Correlation, coefficient of correlation and its interpretation

26.09.19	12	Dr. Apoorva Tripathi	II	Cereals	Types and selection
26.09.19	12	Dr. Apoorva Tripathi	III	infancy	Developmental task of infancy period, milestone and highlights of development
27.09.19				Class teaching	
27.09.19				Class teaching	
27.09.19				Class teaching	
30.09.19	9	Sunidhi Gupta	IV	color	study of color theories
30.09.19	9	Sunidhi Gupta	V	Decision making	Units of consumption, types of uses- expenditure pattern of energy use
30.09.19	9	Dr. Pallavi Nayak	VI	Media of communication	Audio Visual aids importance in extension
01.10.19	10	Sunidhi Gupta	IV	Color	Color wheel
01.10.19	10	Sunidhi Gupta	V	Energy management	Energy consumption pattern and fuel needs
01.10.19	10	Dr. Pallavi Nayak	VI	Media of communication	Significance of each with respect to community needs
03.10.19	11	Sunidhi Gupta	IV	color	color in clothing
03.10.19	11	Sunidhi Gupta	V	Classification of Design	Classification of clothing, structural and decorative
03.10.19	11	Dr. Pallavi Nayak	VI	Media of communication	Advantages and limitations of each
04.10.19	13	Kiran Singh	I	Correlation	rank correlation regression equation and predictions

04.10.19	13	Dr. Apoorva Tripathi	II	cereals	Various preparations and changes during preparation
04.10.19	13	Dr. Apoorva Tripathi	III	infancy	minor elements and their prevention diarrhea and ORS treatment
05.10.19	14	Kiran Singh	I	non-parametric tests	non-parametric tests
05.10.19	14	Dr. Apoorva Tripathi	II	pulse and legumes	Compositions
05.10.19	14	Dr. Apoorva Tripathi	III	Infancy	physical and psychological care, bowel and bladder habits
12.10.19				Class teaching	
12.10.19				Class teaching	
12.10.19				Class teaching	
14.10.19	15	Kiran Singh	I	Chi square test	application of Chi square tests
14.10.19	15	Dr. Apoorva Tripathi	II	pulses and legumes	types and selection
14.10.19	15	Dr. Apoorva Tripathi	III	infancy	posture in feeding, babies room, clothing
15.10.19	12	Sunidhi Gupta	IV	classification of design	realistic, abstract, stylized
15.10.19	12	Sunidhi Gupta	V	Energy management	coal- major uses
15.10.19	12	Dr. Pallavi Nayak	VI	Understanding adult learners	characteristics of adult learners
16.10.19	13	Sunidhi Gupta	IV	classification of design	geometric and traditional design

16.10.19	13	Sunidhi Gupta	V	Energy Management	oil products- consuming industries
16.10.19	13	Dr. Pallavi Nayak	VI	Understanding adult learners	Motivation technique
17.10.19	14	Sunidhi Gupta	IV	collars	types of collar
17.10.19	14	Sunidhi Gupta	V	Energy Management	Electricity
17.10.19	14	Dr. Pallavi Nayak	VI	Understanding adult learners	Problems of adult learners
20.10.19	16	Kiran Singh	I	Goodness of fit	goodness of fit
20.10.19	16	Dr. Apoorva Tripathi	II	Pulses and legumes	different way of preparation
20.10.19	16	Dr. Apoorva Tripathi	III	Infancy	common health and nutritional problems
21.10.19				Class teaching	
21.10.19				Class teaching	
21.10.19				Monthly evolution	
22.10.19	17	Kiran Singh	I	Attributes 2×2	Independence of attributes 2×2
22.10.19	17	Dr. Apoorva Tripathi	II	Pulses and legumes	Effects of cooking on nutritive value
22.10.19	17	Dr. Apoorva Tripathi	III	Early childhood	importance of early years, developmental task
23.10.19	18	Kiran Singh	I	R×C contingency table	R×C contingency table

23.10.19	18	Dr. Apoorva Tripathi	II	Vegetable and fruits	Composition, Recognition of quality
23.10.19	18	Dr. Apoorva Tripathi	III	Early childhood	personal hygiene normal health and development habit formation, feeding, sleeping, bathing, clothing, toilet training
30.10.19	15	Sunidhi Gupta	IV	sleeves	Sleeves and their types
30.10.19	15	Sunidhi Gupta	V	Energy Management	Manufacturing Sector, domestic sector in urban and rural areas
30.10.19	15	Dr. Pallavi Nayak	VI	Understanding adult learners	Motivation technique
31.10.19	16	Sunidhi Gupta	IV	yokes	Their types
31.10.19	16	Sunidhi Gupta	V	Energy Management	units of composition, types of uses expenditure pattern of energy use
31.10.19	16	Dr. Pallavi Nayak	VI	Understanding adult learners	Problems of adult learners
01.11.19	17	Sunidhi Gupta	IV	cuffs	Their types
01.11.19	17	Sunidhi Gupta	V	energy resources of India	fossil, fuels, coal and gas, hydro-electric sources
01.11.19	17	Dr. Pallavi Nayak	VI	Understanding adult learners	Need based education
04.11.19				Class teaching	
04.11.19				Class teaching	
04.11.19				Class teaching	

05.11.19	19	Kiran Singh	I	research	Definition and scope in home science
05.11.19	19	Dr. Apoorva Tripathi	II	Vegetable and fruits	Care in storage
05.11.19	19	Dr. Apoorva Tripathi	III	early childhood year	classroom- it's requirement and decoration
06.11.19	20	Kiran Singh	I	Types of research	Historical
06.11.19	20	Dr. Apoorva Tripathi	II	Vegetable and fruits	Methods of cooking
06.11.19	20	Dr. Apoorva Tripathi	III	early childhood years	common Problems and their management, behavior problem
07.11.19	21	Kiran Singh	I	Types of research	Survey
07.11.19	21	Dr. Apoorva Tripathi	II	vegetable and fruits	cooking losses
07.11.19	21	Dr. Apoorva Tripathi	III	Preschool education	goals and objectives of preschool education with special focus on history of preschool in India
09.11.19	18	Sunidhi Gupta	IV	Clothing for different age groups	Clothing for Male and female
09.11.19	18	Sunidhi Gupta	V	energy resources of India	nuclear fuels, Geothermal energy, wind energy
09.11.19	18	Dr. Pallavi Nayak	VI	Understanding adult learner	The process of adoption process
11.11.19	19	Sunidhi Gupta	IV	Clothing for different age groups	Clothing for infancy

11.11.19	19	Sunidhi Gupta	V	energy resources of India	Solar energy and other non-commercial fuels
11.11.19	19	Dr. Pallavi Nayak	VI	Understanding adult learner	factors influencing adoption innovation
12.11.19				Class teaching	
12.11.19				Class teaching	
12.11.19				Class teaching	
14.11.19	20	Sunidhi Gupta	IV	Clothing for different age groups	Clothing for toddler
14.11.19	20	Sunidhi Gupta	V	Technology of alternate sources of energy	Gobar gas and bio-gas plant
14.11.19	20	Dr. Pallavi Nayak	VI	Rural development programmers	History of community development movement in India
15.11.19	21	Kiran Singh	I	Types of research	Experimental research
15.11.19	21	Dr. Apoorva Tripathi	II	Milk and milk products	Types and composition
15.11.19	21	Dr. Apoorva Tripathi	III	Improving creativity	Improving creativity among pre-school-art-activities, other materials, music and rhythm puppets and creativity drama
16.11.19	22	Kiran Singh	I	Types of research	Case study

16.11.19	22	Dr. Apoorva Tripathi	II	Milk and milk products	Milk and milk products preparation
16.11.19	22	Dr. Apoorva Tripathi	III	Improving creativity	Improving creativity among preschool-art-activities, other materials, music and rhythm puppets and creativity drama
18.11.19	23	Kiran Singh	I	Research problem	Definition and identification of a research problem
18.11.19	23	Dr. Apoorva Tripathi	II	Milk and milk products	Effect of cooking and use in cookery
18.11.19	23	Dr. Apoorva Tripathi	III	Nursery school education	Activities in the Nursery school- 1. Free play, 2.finer coordination
19.11.19	21	Sunidhi Gupta	IV	Clothing for different age groups	Clothing for preschool child
19.11.19	21	Sunidhi Gupta	V	Technology of alternate sources of energy	Solar energy
19.11.19	21	Dr. Pallavi Nayak	VI	Rural development programme	Evolution of Panchayati Raj and democratic decentralization-five year plan
20.11.19				Class teaching	
20.11.19				Class teaching	
20.11.19				Class teaching	
21.11.19	22	Sunidhi Gupta	IV	Clothing for different age groups	Clothing for adolescence

21.11.19	22	Sunidhi Gupta	V	Technology of alternate sources of energy	fuel wood plantation (biomass)
21.11.19	22	Dr. Pallavi Nayak	VI	Rural development programme	Evolution of Panchayati Raj and democratic decentralization-five year plan
22.11.19	23	Sunidhi Gupta	IV	Clothing for different age groups	Clothing for adulthood
22.11.19	23	Sunidhi Gupta	V	Application of new technology	Family community sized based biogas plants, economic liability, social acceptance, adequacy of meeting energy needs particularly of rural communities and low income groups, appliances, stores, refrigerator, solar energy cooler, solar water heater, solar lantern, solar light, solar pumps, food driers, air conditioners, consideration in biogas technology
22.11.19	23	Dr. Pallavi Nayak	VI	Rural development programme	Evolution of Panchayati Raj and democratic decentralization-five year plan
23.11.19	24	Kiran Singh	I	Research problem	Selection of Problem
23.11.19	24	Dr. Apoorva Tripathi	II	eggs	structure, composition, quality
23.11.19	24	Dr. Apoorva Tripathi	III	Nursery school education	(c) Concept formation (d) readiness activities
25.11.19	25	Kiran Singh	I	Research problem	Theory and hypothesis
25.11.19	25	Dr. Apoorva Tripathi	II	eggs	Care in storage, methods of cooking, uses in cookery

25.11.19	25	Dr. Apoorva Tripathi	III	Aims and objective of Nursery School education	Records and register-Need and Methods of maintaining administration, health And development records
26.11.19	26	Kiran Singh	I	Research problem	Basic assumption and the limitation of the problems
26.11.19	26	Dr. Apoorva Tripathi	II	Meat, fish and poultry	Types, quality
26.11.19	26	Dr. Apoorva Tripathi	III	Aims and objective of Nursery School education	Nursery School personal with special reference to the role of a nursery school teacher
27.11.19				Class teaching	
27.11.19				Class teaching	
27.11.19				Monthly evolution	
28.11.19	24	Sunidhi Gupta	IV	Clothing for different age groups	Clothing for old age
28.11.19	24	Sunidhi Gupta	V	Development of design and performance standard	development of standard, ergonomic consideration for equipment design organization contributing to developing standard, types of standard already developed standard for the various equipment
28.11.19	24	Dr. Pallavi Nayak	VI	Rural development programme	Evolution of Panchayati Raj and democratic decentralization-five year plan
29.11.19	25	Sunidhi Gupta	IV	textile industry of India	introduction to the textile industry of India- its importance to the Indian economy

29.11.19	25	Sunidhi Gupta	V	Development of design and performance standard	development of standard, ergonomic consideration for equipment design organization contributing to developing standard, types of standard already developed standard for the various equipment
29.11.19	25	Dr. Pallavi Nayak	VI	Role of voluntary agencies	Contribution of voluntary agencies to rural development-central and state welfare boards
30.11.19	26	Sunidhi Gupta	IV	textile industry of India	introduction to the textile industry of India- its importance to the Indian economy
30.11.19	26	Sunidhi Gupta	V	Development of design and performance standard	development of standard, ergonomic consideration for equipment design organization contributing to developing standard, types of standard already developed standard for the various equipment
30.11.19	26	Dr. Pallavi Nayak	VI	Role of voluntary agencies	Contribution of voluntary agencies to rural development-central and state welfare boards
02.12.19	27	Kiran Singh	I		
02.12.19	27	Dr. Apoorva Tripathi	II	Meat, fish and poultry	Factors affecting tenderness
02.12.19	27	Dr. Apoorva Tripathi	III	National and international organization	National and international organization for welfare of children in India
03.12.19	28	Kiran Singh	I	sampling	Selection of sample
03.12.19	28	Dr. Apoorva Tripathi	II	Meat, fish and poultry	Methods of cooking

03.12.19	28	Dr. Apoorva Tripathi	III	National and international organization	National and international organization for welfare of children in India
07.12.19				Class teaching	
07.12.19				Class teaching	
07.12.19				Class teaching	
09.12.19	29	Kiran Singh	I	sampling	Type of samples
09.12.19	29	Dr. Apoorva Tripathi	II	Meat, fish and poultry	Effects of heat on nutritive value
09.12.19	29	Dr. Apoorva Tripathi	III	Psycho-analytical theory	Introduction to Psycho-analytical theory
11.12.19	27	Sunidhi Gupta	III	Adolescence period	physiological changes, values, interests, problems and adjustments, juvenile delinquency- causes and cure
11.12.19	27	Sunidhi Gupta	V	Lighting for the home	Lighting for the home and writing plans or home's lighting, requirements, slandered lighting, services adequate lighting quantity, writing plans
11.12.19	27	Dr. Pallavi Nayak	VI	Role of voluntary agencies	All India Women's Conference
12.12.19	28	Sunidhi Gupta	III	guidance and counseling	Definition, fundamental and basic techniques, importance of counseling in child guidance clinics

12.12.19	28	Sunidhi Gupta	V	Lighting for the home	Lighting for the home and writing plans or home's lighting, requirements, slandered lighting, services adequate lighting quantity, writing plans
12.12.19	28	Dr. Pallavi Nayak	VI	Role of voluntary agencies	All India Women's Conference
13.12.19	29	Sunidhi Gupta	III	guidance and counselling	Definition, fundamental and basic techniques, importance of counseling in child guidance clinics
13.12.19	29	Sunidhi Gupta	V	Lighting for the home	Lighting for the home and writing plans or home's lighting, requirements, slandered lighting, services adequate lighting quantity, writing plans
13.12.19	29	Dr. Pallavi Nayak	VI	Role of voluntary agencies	Bhartiya Grameen Mahila Sangh
14.12.19	30	Kiran Singh	I	sampling	Type of samples
14.12.19	30	Dr. Apoorva Tripathi	II	Condiments and spices	Types and its use
14.12.19	30	Dr. Apoorva Tripathi	III	Cognitive theory	Cognitive theory, its significance in child development
15.12.19				Class teaching	
15.12.19				Class teaching	
15.12.19				Class teaching	

16.12.19	31	Kiran Singh	I	sampling	benefits of samplings
16.12.19	31	Dr. Apoorva Tripathi	II	Condiments and spices	Types and its use
16.12.19	31	Dr. Apoorva Tripathi	III	Middle childhood	importance of developmental task, normal health and development
17.12.19	32	Kiran Singh	I	sampling	Evaluating a sample
17.12.19	32	Dr. Apoorva Tripathi	II	fats and oils	Composition of fats and oils
17.12.19	32	Dr. Apoorva Tripathi	III	middle childhood	Socialization- causes of social isolation in school, negative attitudes towards curriculum, physical, motor, emotional, mental, moral and language development among the school age children
18.12.19	30	Sunidhi Gupta	III	Psychology of adulthood	significance of the period, responsibilities and adjustments: new family, workplace, parenthood, independence, financial matters, six role is used and implications for young adults
18.12.19	30	Sunidhi Gupta	V	Smart appliances	characteristics and functions, design, use and care of equipment, and their principles of work
18.12.19	30	Dr. Pallavi Nayak	VI	Role of voluntary agencies	Bhartiya Grameen Mahila Sangh
19.12.19	31	Sunidhi Gupta	III	Psychology of adulthood	significance of the period, responsibilities and adjustments: new family, workplace, parenthood, independence, financial matters, six role is used and implications for young adults

19.12.19	31	Sunidhi Gupta	V	Smart appliances	characteristics and functions, design, use and care of equipment, and their principles of work
19.12.19	31	Dr. Pallavi Nayak	VI	Role of voluntary agencies	Kasturba Gandhi National Memorial Trust and other's
20.12.19	32	Sunidhi Gupta	III	Psychology of adulthood	significance of the period, responsibilities and adjustments: new family, workplace, parenthood, independence, financial matters, six role is used and implications for young adults
20.12.19	32	Sunidhi Gupta	V	Electrical appliances	characteristics and functions, design, use and care of equipment, and their principles of work
20.12.19	32	Dr. Pallavi Nayak	VI	Role of voluntary agencies	Kasturba Gandhi National Memorial Trust and other's
21.12.19				Class teaching	
21.12.19				Class teaching	
21.12.19				Class teaching	
23.12.19	33	Kiran Singh	I	sampling	Evaluating a sample
23.12.19	33	Dr. Apoorva Tripathi	II	Fats and oils	types of fats and oils
23.12.19	33	Dr. Apoorva Tripathi	III	middle childhood	Socialization- causes of social isolation in school, negative attitudes towards curriculum, physical, motor, emotional, mental, moral and language development among the school

					age children
24.12.19	34	Kiran Singh	I	Analysis of the data	Categorizations, coding
24.12.19	34	Dr. Apoorva Tripathi	II	Fats and oils	types of fats and oils
24.12.19	34	Dr. Apoorva Tripathi	III	middle childhood	Socialization- causes of social isolation in school, negative attitudes towards curriculum, physical, motor, emotional, mental, moral and language development among the school age children
26.12.19	35	Kiran Singh	I	Analysis of the data	Categorizations, coding
26.12.19	35	Dr. Apoorva Tripathi	II	fats and oils	use in cookery
26.12.19	35	Dr. Apoorva Tripathi	III	Brief knowledge of government facilities	Brief knowledge of government facilities for nursery, primary and secondary school including special benefits available for different sections of the community
27.12.19	33	Sunidhi Gupta	III	Middle adulthood	definition, physical changes, Menopause, health issues, stress in middle age, coping with stress of family, workplace occupation and job satisfaction
27.12.19	33	Sunidhi Gupta	V	Motor appliances	characteristics and functions, design, use and care of equipment, and their principles of work
27.12.19	33	Dr. Pallavi Nayak	VI	Role of voluntary agencies	Kasturba Gandhi National Memorial Trust and other's

28.12.19	34	Sunidhi Gupta	III	Middle adulthood	Pre-retirement and Leisure-preparation for retirement and leisure
28.12.19	34	Sunidhi Gupta	V	Motor appliances	characteristics and functions, design, use and care of equipment, and their principles of work
28.12.19	34	Dr. Pallavi Nayak	VI	Entrepreneurship	concept of entrepreneurship
30.12.19				class teaching	
30.12.19				class teaching	
30.12.19				Monthly evolution	
31.12.19	35	Sunidhi Gupta	III	Late adulthood	definition, physiological changes, health problems and cognitive and memory changes
31.12.19	35	Sunidhi Gupta	V	New electrical household appliances	characteristics and functions, design, use and care of equipment, and their principles of work
