M.P.P.G. College, Jungle Dhusan, Gorakhpur M.Sc. III Sem. CBCS

Practical Lession Plan 2020-2021 Zoology

21.8.20 1 R.N.Singh Ecoloy Study of different structural adaptation of animals to ecological condition.	Date	Lec. No	Teachers Name	Lession	Topic
22.8.20 2 R.N.Singh Study of the micro/macro fauna of soil by froth floatation meth	21.8.20	1	R.N.Singh	Ecoloy	Study of different structural adaptation of
Section of Parasitism Study of Protozoans, helminthes and arthropods. Survey of vector born diseases in local and adjoining areas. Survey of vector born diseases in local and adjoining areas. Survey of vector born diseases in local and adjoining areas. Survey of vector born diseases in local and adjoining areas. Survey of survey.			_		animals to ecological condition.
28.8.20	22.8.20	2	R.N.Singh		Study of the micro/macro fauna of soil by
A. 9.20 2 V.S.K Qualitative / Quantitative Study of Fresh Water Plankton in seasonal variation.					froth floatation meth
A. 9.20 2 V.S.K Qualitative Quantitative Study of Fresh Water Plankton in seasonal variation.	28.8.20	1	V.S.K		Comparative estimation of
Water Plankton in seasonal variation.					
S. 9.20 1 S.K Demonstration of parallax vision and height perception.	4. 9.20	2	V.S.K		
11.9.20 2 S.K Demonstration of parallax vision and height perception.					
12.9.20					1
12.9.20	11. 9.20	2	S.K		_
Diodiversity and biomass.					
25. 9.20 2 N.K Statistical exercise Use of excel sheet for data processing	12. 9.20	1	N.K		
26. 9.20 3 R.N.Singh Exercise of Parasitism Study of prepared Slides and museum specimens of Protozoans, helminthes and arthropods.					
3.10.20				Statistical exercise	
specimens of Protozoans, helminthes and arthropods. 9.10.20 3 V.S.K Demonstration of in vitro and in vivo infection of Fasciola in snail and mammals by gistopatgoloy and immune reaction. 10.10.20 4 V.S.K Culturing insect parasitic nematode and their life cycle. Culturing insect parasitoid and studying their infection on an insect host. 16.10.20 3 S.K Survey of vector born diseases in local and adjoining areas. 17.10.20 4 S.K Animal behaviour Study of taxis 23.10.20 3 N.K Kinesis 31.10.20 4 N.K Habituation. 6.11.20 5 R.N.Singh Trial and error learning 7.11.20 6 R.N.Singh Geotaxis behavior of earthworm. 21.11.20 5 V.S.K To study the sucrose solution in feeding behavior of housefly. 27.11.20 6 V.S.K Revision					
9.10.20 3 V.S.K Demonstration of in vitro and in vivo infection of Fasciola in snail and mammals by gistopatgoloy and immune reaction. 10.10.20 4 V.S.K Culturing insect parasitic nematode and their life cycle. Culturing insect parasitoid and studying their infection on an insect host. 16.10.20 3 S.K Survey of vector born diseases in local and adjoining areas. 17.10.20 4 S.K Animal behaviour Study of taxis 23.10.20 3 N.K Kinesis 31.10.20 4 N.K Habituation. 6.11.20 5 R.N.Singh Trial and error learning 7.11.20 6 R.N.Singh Geotaxis behavior of earthworm. 21.11.20 5 V.S.K To study the sucrose solution in feeding behavior of housefly. 27.11.20 6 V.S.K Revision	3.10.20	4	R.N.Singh	Exercise of Parasitism	
9.10.20 3 V.S.K Demonstration of <i>in vitro</i> and <i>in vivo</i> infection of <i>Fasciola</i> in snail and mammals by gistopatgoloy and immune reaction. 10.10.20 4 V.S.K Culturing insect parasitic nematode and their life cycle. Culturing insect parasitoid and studying their infection on an insect host. 16.10.20 3 S.K Survey of vector born diseases in local and adjoining areas. 17.10.20 4 S.K Animal behaviour Study of taxis 23.10.20 3 N.K Kainesis 31.10.20 4 N.K Habituation. 6.11.20 5 R.N.Singh Trial and error learning 7.11.20 6 R.N.Singh Geotaxis behavior of earthworm. 21.11.20 5 V.S.K To study the sucrose solution in feeding behavior of housefly. 27.11.20 6 V.S.K Revision					_ · ·
infection of Fasciola in snail and mammals by gistopatgoloy and immune reaction. 10.10.20 4 V.S.K Culturing insect parasitic nematode and their life cycle.
